1. On short notice, the Boosters received notification that the irrigation for the softball field was given a conditional \$3,000 from Marlene Kelly if we acted on it immediately. Cost for the boosters would be \$4,700. Motion was put forward by Jeff Ortell and seconded by Calvin Cavey. Motion Passed.
2. The idea has been brought forward to honor Tom Williams for all of the work that he has done for the facilities at the school. It has been recommended that the Baseball and Softball complex in the future reflect Tom's name. We will discuss this further at June's meeting. Motion was put forward by Larry Sells and seconded by Bill Willey. Motion Passed.

Mike Crum made a motion to adjourn and seconded by Jeff Ortell. Meeting adjourned at 7:20 PM.
