Athletic Booster Membership Form

The athletic programs at Severna Park High School offer our students an outstanding opportunity. Academic excellence, sportsmanship, and competition are the common goals of this school's administration, coaching staff and Falcon Athletic Boosters. As a result, our athletes are dedicated students who participate on teams that have repeatedly won County, Regional and State titles. We are very proud of these students who have shown dedication to their sports, to each other and toward personal improvement. The Anne Arundel County School Board provides funding for high school team sports. However, the amount of funding provided by the county is insufficient to cover the full costs of uniforms, equipment, transportation and field maintenance. Supporting the Falcon Athletic Boosters with your donation of time and/or money is more important than ever before due to county budget cuts affecting high school athletics. Each school must raise the additional funds required to support its teams and pay for capital improvements that benefit all students. The Falcon Athletic Booster Club exists to help Severna Park High School meet these additional funding challenges. We count on your continued support by your membership in this organization, participation in fund raising activities and your attendance at sporting events. Your family membership is good for the entire school year and for multiple sports. It includes all fall, winter and spring sports. Please support our youth by becoming a Falcon Athletic Club Booster!

| Your Membership Information | | |
