

Mark Fisher opened the May 9, 2012 meeting by welcoming everyone.

The following topics were discussed:

**All team reps need to attend all booster meetings.**

Booster Meetings will be the 2nd Wednesday of each month. We will meet in the Media Center at SPHS. The meetings will start sharply at 7:00 PM.

**Secretary's Report**

April Financials were handed out at the meeting.

**If your team takes a bad check you are responsible to collect the monies. Reps handle insufficient and uncollected funds items.**

**Mulch Sale**

Debbie Mayer needs a head count of number of players for each JV and Varsity team. Team reps were ask to get that count to Debbie Mayer ASAP!!!

**Membership**

## New Business

We discussed the following:

A possible date for the Bull and Oyster Roast of Saturday October 6, 2012 (only Saturday date at the fire hall) or switching to Friday or moving to the American Legion in Manhattan Beach. (Getting more information)

Keeping our current website or shutting it down. We would like to be able to make updates ourselves to keep the website current. (Getting more information)

Increasing the rate to join boosters or additional fee for more than one athlete in a family. Also having teams start doing heavy fundraising on their own to help off set the anticipated loss of income from concessions while new school is being built.

We voted to lend football \$4,000 for new helmets. Football is one of, if not, the most expensive sport to fund at our school. Their helmets alone have to be inspected every year for safety and we lost 40 helmets for safety issues this year. Anne Arundel County and Howard County have partnered together to get \$250.00 helmets for \$174.00 each.

There has been talk about the county turfing the football field at Kinder Park for practices for our high school in anticipation of the new school
