If your child needs to be taken to or from a game any other way other than the bus you must have it approved 48 hours prior to the event by the SPHS Administration

Your child must be in school to be able to play in games and attend practices. If your child has a doctors appointment and has to leave school during the school day then they must have a release signed to practice or play by the administration

Athletic equipment cannot be dropped off in the office under any circumstances!!!!

Please make sure your athletes are not putting inappropriate pictures or messages on Facebook, Twitter or any other social media sites. Athletes will be suspended!!!! Your kids may think their settings are private but stupid stuff travels fast and wide so make sure your kids are not doing it.
