Membership Update – Christina Powell

Team membership reports were sent to reps via email today. We are currently at 81% membership across all spring sports teams. Team reps were asked to follow-up with families who have made duplicate membership payments to determine if they want refunds or wish to donate the overpayment. Non-member families may still join via the booster website.

Treasurer's Report – Sharon Burke

The Google sheet for team account balances is close to current, with a few refunds for membership overpayments pending. Update on the general account balances is not currently available but should be ready for disbursement by the April business meeting.

Concessions Chair – Sharon Burke

A link to the spring concessions schedule was sent by email to all team reps. There are several dates for which a stand manager is still needed. Interested individuals should contact Sharon to be added to the schedule.

The Reception will be in the atrium during the girls lacrosse game and the induction will happen during the halftime of the boys lacrosse game.

Kenny Elgert: Information concerning the arrangements for visitation and the funeral will be shared with the group by email following the meeting.

Athletic Director Report – Dave Lanham

Coaches in attendance were recognized. Dave spoke about the impact that Kenny Elgert had on SPHS and especially the sports teams and athletes. He added that many ideas had been shared with him and other school administrators about additional ways to recognize and remember Kenny but he asked that we hold off on any action until a plan is complete. The sign recognizing Lil Shelton has been installed on Turf II. A dedication ceremony will be held in the main stadium on 4/30 with a reception following the dedication on Turf II.
